## Active Spine & Sports Care Billing Policy

Chiropractic claim submission for in-network insurance plans will be completed after your visit. Proof of health insurance is required. Ultimately, payment is your responsibility if there is a delay in payment from insurance, insurance denies payment, or upon verifying chiropractic benefits, the insurance company provides the office incorrect chiropractic benefit information. Upon receiving a statement from Active Spine & Sports Care, was ask that payment is made within 30-90 days. Professional chiropractic services rendered are the SOLE LIABILITY of the patient/guardian whose signature appears on this form.

***Failure of payment for an outstanding statement balance after 90 days will be transferred to the collection's agency.***
